## Feedback

VIRAJ 1E

I have seen tremendous improvement in Viraj. I would appreciate the involvement shown and extra attention given by Subhamoti Ma'am and Himani Ma'am. They have shown patience while cascading the knowledge. Thanks a lot for going extra mile

**Great  
Job**

**As a working mother, we rely a lot on the school for our kid to be well-mannered and disciplined. Rhythm ma'm and Neha Ma'm have been phenomenal to bring these qualities in Samyukta. I can definitely see a positive change in her attitude as well as academics. She used to be shy and hesitant to mingle with other kids earlier but now she has become more interactive. "Word of the week" has been helpful in learning new words whereas experiential learning has helped her to see and understand things practically. Kudos to both her class teachers for their remarkable efforts ! Thank you 😊**
