ANNUAL REPORT 2024–25

“Empowering Minds, Inspiring Futures”

VISION

तमसो मा ज्योतिर्गमय

Committed to making every pupil a good human being and a responsible Indian with self-esteem and a zeal for lifelong learning.

SESSION highlights

Academic program and progress of the school

- Progress of the School: Academic Excellence: An overview of key achievements and milestones reached this term, driven by innovative teaching strategies and student engagement.
- Term-I Results: Performance Summary: Analysis of Term-I results, focusing on improvements in various subjects and identifying trends in student performance.
- Areas for Growth: Discussion on areas where performance can be improved and strategies to support these improvements in the coming terms.

Introduction of STEAM Lab in Grades I-V & AI Lab in Grades VI-X

The labs have been introduced for students with a feature of Cutting-edge technology, expert-led workshops, and collaborative projects aimed at fostering innovation and problem-solving skills.

Interactive learning stations, hands-on activities, and interdisciplinary projects have been designed to spark creativity and critical thinking.

The aim is to Integrate Science, Technology, Engineering, Arts, and Mathematics to provide a holistic educational experience and to equip students with skills in artificial intelligence and machine learning, preparing them for future technological landscapes.

SESSION highlights

Introduction of Clubs

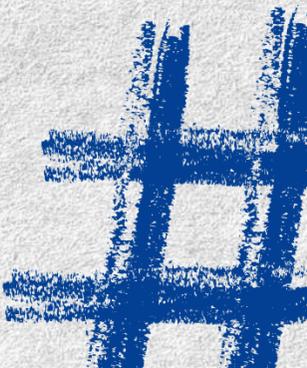

- 15 Clubs have been introduced in GIS in current session with a motive to:
- Encourage holistic development by providing opportunities to explore interests beyond the classroom.
- Promote teamwork, leadership, and social skills through collaborative activities.
- Enhance student engagement and school spirit.

Entrepreneurial Achievement of the students:

We are incredibly proud to share that the talented students of Gaurs International School hosted the Young CEO Program product launch, in collaboration with White Canvas India. This achievement is a true reflection of their entrepreneurial spirit, innovative thinking, and hard work. From ideation to execution, these young minds have demonstrated leadership, teamwork, and creativity every step of the way.

This program began with a 4-day intensive camp, followed by several months of post-camp support. A team of 30 students participated, gaining hands-on experience in product R&D, business ethics, design, and marketing strategies. The highlight of the event was the launch of two student-developed products:

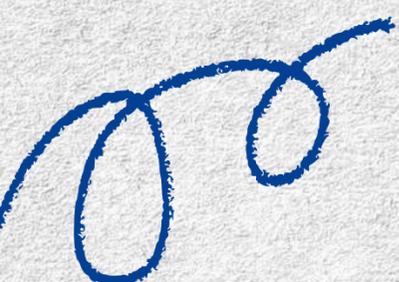

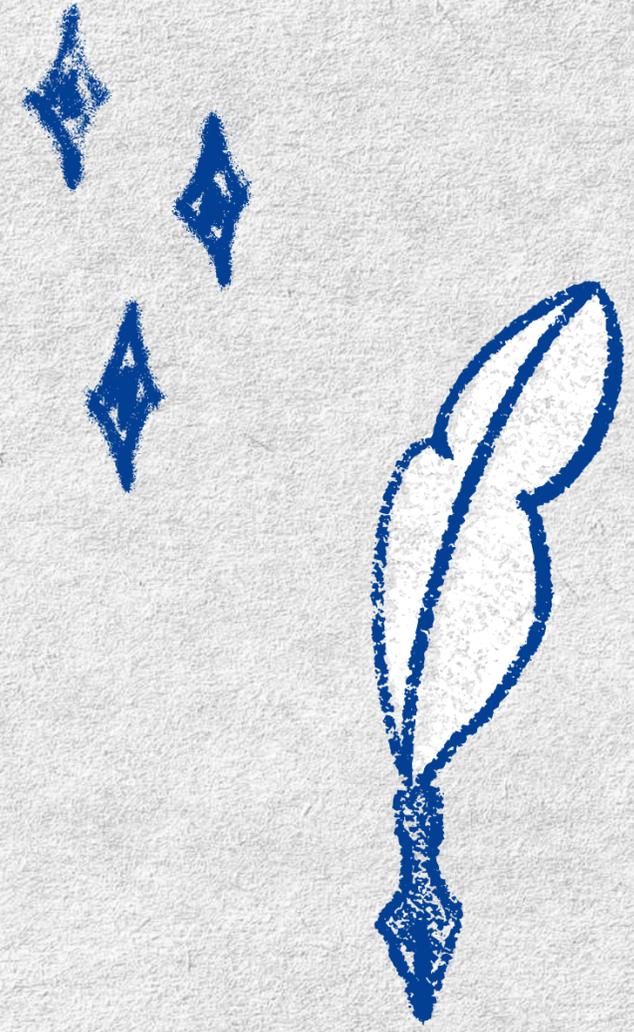

1. NutriPopz (Roasted Makhana)
2. Mystique Flames (Aroma Candles)

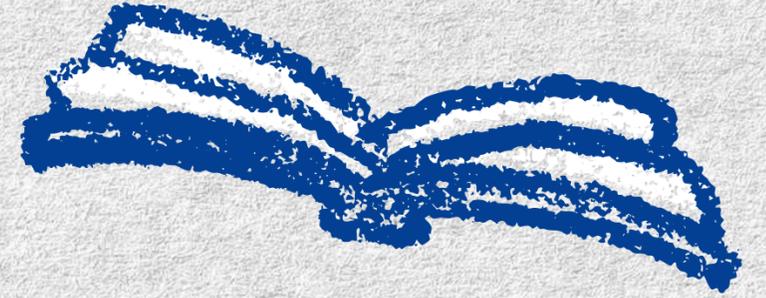

MISSION

- ✔ Nurturing Academic Excellence to become lifelong learners
- ✔ Character building through sports
- ✔ Promoting Linguistic Diversity
- ✔ Giving exposure for personal integrity and community responsibility
- ✔ Promoting Indian Values and Culture
- ✔ Continually improving the teaching and learning process and its effectiveness
